	HP	Mana	Move
Level Bonuses	1	-1	-1
Recovery Bonuses	1	0	0

Skills            Search, Embed, Sidestep

Gnomes are short, disproportionate individuals, who live far away from the other races of Dragon Swords. The constant avoidance of other beings has made gnomes a little smarter than most. They are notoriously good with their hands, making good scientists, as well as alchemists, and have a reputation for being able to craft things with ease.
